RENEWED PETITION UNDER 37 C.F.R § 1.47(a)

Dear Sir:

This is a Renewed Petition under Rule 1.47(a) to allow three inventors to enter the national stage of an international application where the fourth inventor refuses to join in the national stage application. In a November 2, 2006 response to the the original Petition, filed September 28, 2006, the Examiner noted that Applicants had satisfied Items 1, 2, and 4 of 4. However, the Examiner indicated that Item 3 was not satisfied because the five-

page copy of the declaration sent was a compilation of two copies of a four-page declaration, which was not acceptable under 37 C.F.R. § 1.497.

This Renewed Petition is submitted to remedy the deficiency in the original Petition. Attached are the two separate four-page declarations for the same invention. Inventor Raymond Zagranski signed one declaration naming all four inventors. Giovanni Mannarino and Matthew R. Reid signed the other declaration, also naming all four inventors. The declaration signed by Mr. Mannarino and Mr. Reid was sent to them in an unexecuted format and they only returned the signature page via fax. Therefore the copy submitted herewith consists of the first three of the four pages that were sent to Mr. Mannarino and Mr. Reid, followed by the returned fax copy of the signed forth page.

RELIEF REQUESTED

Reconsideration on the merits of the Petition is requested, based on the satisfaction of the requirement to submit the enclosed complete copies of the declarations executed by each of the signing inventors (Item 3 of 4). Applicants respectfully request the Commissioner accept the Declarations submitted herewith, executed by the three remaining inventors on behalf of themselves and on behalf of Mr. Rogers, pursuant to Rules 1.47(a) and 1.497(b)(1). Applicants further respectfully request that the examination of the subject application commence promptly.

REQUIRED FEE

Applicants do not believe any fees are due in connection with this Renewed

Petition. However, the Commissioner is hereby authorized to charge all fees due in association with this petition and the application, to Deposit Account No. 04-1105, under Order No. 61459(49366). If for any reason the fee submitted is inadequate for the consideration of this Petition, or credit is owed for any excess fee paid, you are hereby authorized and requested to charge Deposit Account No. 04-1105.

Respectfully submitted,
